#### **Public Participation**

Meetings held by the Chelsea District Library are for the purpose of conducting library business. A Chelsea District Library meeting is not a "public meeting." It is a "meeting held in public." The difference between these two types of meetings is that a public meeting is usually designed for the free flow of information among all in attendance, whereas a meeting held in public is for observation and "Public Input" at specific times on the agenda.

#### Public Participation at Open Meetings

Meetings held by the Chelsea District Library are for the purpose of conducting library business. Public input is allowed during set times of these meetings and for specific amounts of time.

There are two ways to participate in a Board meeting:

- You may call the Board President or Library Director at least five days in advance of the Board meeting and ask to be placed on the agenda. The Board President or the Library Director shall use their discretion in accepting these requests. The Board decides what agenda items are to be discussed when they formally adopt the agenda at the start of their meeting. Once approved, you will be allowed to make your presentation to the Board.
- You may address the Board during agenda items listed as "Comments from the Public."

Individuals who are addressing the Board at a Board Meeting must state their name and the name of the organization or group they are representing, if that is the case.

Board members may question speakers, but the Board will not enter into debate or conversation during this portion of the meeting. In general, issues are referred to the Director for investigation, study and recommendation, designation as a future agenda item, or answered through written communication.

# Chelsea District Library Board of Trustees Minutes of Regular Meeting

Tuesday, June 15, 2021 6:45 pm

Meeting Location: Remote, Using Zoom

<u>Trustees in Attendance:</u> TJ Helfferich (Zooming from the City of Chelsea), G. Munce (Lyndon Township), J. Carr (Sylvan Township), A. Merkel (City of Chelsea), E. Sensoli (Lima Township), & C. Taylor (representing Dexter Township, but Zooming from Northern Michigan).

Absent: S. Lackey

Staff: Director L. Coryell, Assistant Director L. Ballard, & C. Berggren.

Guests: Bill Tucker

#### Welcome and Call to Order

TJ Helfferich called the meeting to order at 6:45 p.m.

Agenda Review, Additions, and Approval

MOTION made by J. Carr, SECONDED by G. Munce to approve the agenda, as amended. Discussion: Lori added Preparedness & Response Plan as Discussion Item #3.

All Ayes: 5-0

#### Presentation: Maner Costerisan 2020 Audit Report by Bill Tucker

Bill shared a power-point presentation of the Independent Auditor's Report over Zoom with the board members. The audit finding was an Unmodified Clean Opinion, which Bill said was the best possible opinion.

• C. Taylor arrived to the meeting during the presentation.

#### Compulsory Segments:

Minutes and Approval of Checks

MOTION made by J. Carr, SECONDED by E. Sensoli to approve the minutes of the May 18, 2021 Board Meeting. Discussion: None

All Ayes: 6-0

MOTION made by G. Munce, SECONDED by A. Merkel to accept the General Fund Operational checks for May, 2021. Discussion: None

All Ayes: 6-0

MOTION made by J. Carr, SECONDED by C. Taylor to accept Financial Reports for May, 2021. Discussion: Elizabeth reiterated that she'd like to see a cash-flow chart.

All Ayes: 6-0

#### **Director's Report Update:**

#### L. Coryell update:

- The library is coordinating with Chelsea Public Schools, particularly Beach Middle School for their summer school program.
- Patty Schwarz is starting a Chelsea Arts Initiative that the library is supporting.
- June 21 is the Facility Reopening date and a press release has gone out.
- The American Rescue Plan Act is distributing grants to libraries for vehicles and Lori and Linda are currently working on an application.

#### Friends Report:

- The Friends of the Library celebration will take place October 23, during the National Friends of the Library week and the Re-Open House.
- The July meeting will be in hybrid form.
- There's been talk of potentially merchandising around the upcoming Frida Kahlo exhibit.
- The Book Sale returns June 26 with extended hours and lots of inventory. The
  Friends are anticipating a major run on donations, so they're planning to add
  additional book sale dates to their schedule.

#### Other Reports Notes:

- Charlie announced that he had to leave the meeting.
- Gary wants year-to-date totals for the townships. And Elizabeth asked for context numbers, as well, for comparison. Lori shared that the Performance Dashboard has been reworked and will be returning soon.

**Public Comment:** None

#### **Action Item #1: Donations**

MOTION made by J. Carr, SECONDED by A. Merkel to approve the library's May donations. Discussion: None

Jan, roll-call vote: Gary – Aye, Elizabeth – Aye, Anne – Aye, TJ – Aye, and Jan – Aye.

All Ayes 5-0

#### Discussion Item #1: Budget Hearing Notice

This is an annual formality, alerting the board that the Budget Hearing Notice will be an Action Item in July and will be published a week after the July board meeting. Jan asked if the Guardian should be included in the publications we print the notice in.

#### **Discussion Item #2: 2020 Audit Approval**

MOTION made by A. Merkel, SECONDED by E. Sensoli to move Discussion Item #2 to Action Item #2. Discussion: None

All Ayes 5-0

#### Action Item #2: 2020 Audit Approval

MOTION made by J. Carr, SECONDED by G. Munce to approve the 2020 library audit, as presented by Maner Costerisan's Bill Tucker. Discussion: None Jan, roll-call vote: Anne – Aye, Gary – Aye, TJ – Aye, Elizabeth – Aye, and Jan – Aye.

All Ayes 5-0

#### Discussion Item #3: Preparedness & Response Plan

Due to MIOSHA changes, like vaccinated staff no longer having to wear masks and some relaxation of some cleaning protocol, the library needs to update the state mandatory Preparedness & Response Plan.

MOTION made by J. Carr, SECONDED by A. Merkel to move Discussion Item #3 to Action Item #3. Discussion: None

All Ayes 5-0

#### Action Item #2: 2020 Audit Approval

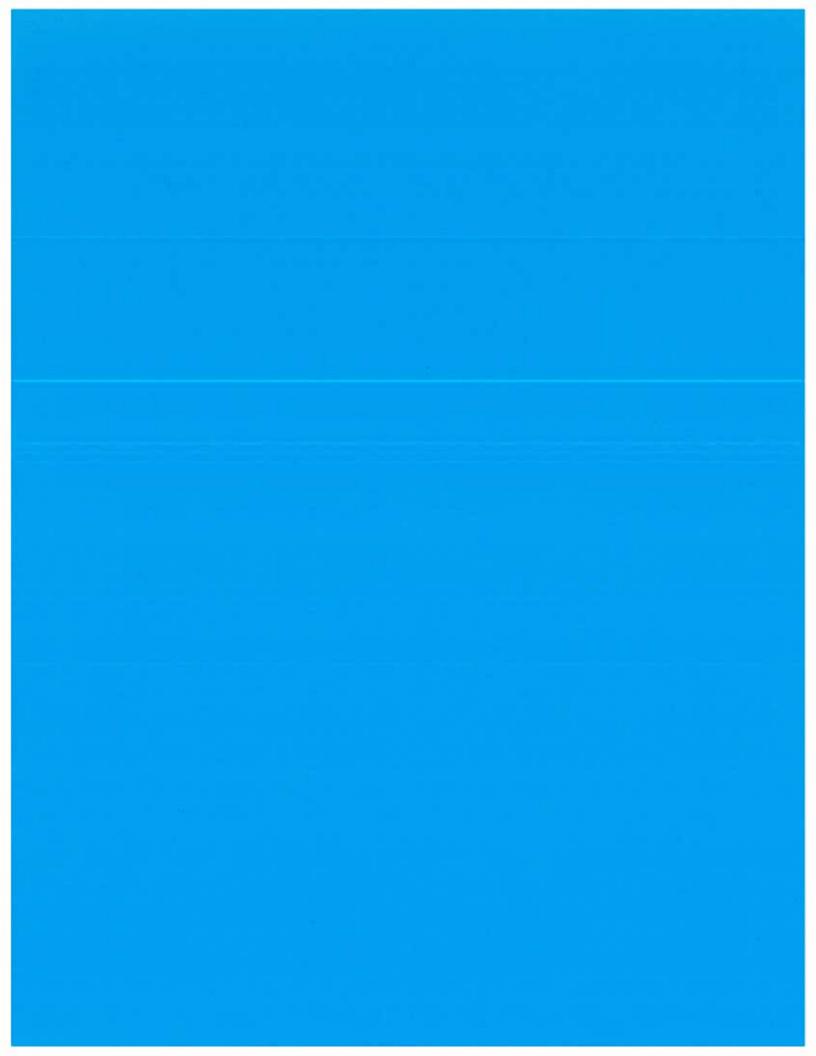

MOTION made by A. Merkel, SECONDED by J. Carr to adopt the updates to the library's Preparedness & Response Plan. Discussion: None Jan, roll-call vote: Gary – Aye, Elizabeth – Aye, TJ – Aye, Anne – Aye, and Jan – Aye.

All Ayes 5-0

<u>Public and Board Comment:</u> Jan commented on how wonderful the library's online programming has been throughout the COVID era. Gary would like Scott to share his ransomware knowledge with the townships, as he feels they're particularly vulnerable. He believes the townships should have disaster preparedness plans, as well.
Other Items: The board discussed when to return to in person meetings. Trustees were receptive and excited to return to regular, in person meetings, but thought it may be difficult during the summer months, due to vacation plans finally being possible and the ease of Zooming remotely. A target date of September 21 was proposed and will be discussed further in July, when Charlie and Susan can participate.
Adjourn:  MOTION made by G. Munce, SECONDED by E. Sensoli to adjourn the meeting at 8:10
p.m. All Ayes, 5-0

# DIRECTOR'S REPORT

#### Library Director's Report Respectfully submitted for July 2021 board meeting

#### **Staff Announcements**

**Arrivals and Departures** 

In June we bid a fond farewell to Library Assistant Deb Pilarz. Jean Pierce has come on board to replace Deb; and Martha Jacques has been hired as a new Library Aide. Welcome to both Jean and Martha!

#### **CDL** Reopening

The reopening of our facility to the public starting on June 21 has been met with much excitement and appreciation. During the first week of reopening, our circulation staff used more than 50 new cards!

#### **ARPA Grant Application - CDL Vehicle**

CDL submitted an application to the Library of Michigan ARPA Equipment Grant Program on July 12 for Mobile CDL. The grant funds to be distributed by the LoM are from the American Rescue Plan Act of 2021. Our proposal called Mobile CDL: Quality Service for All is a request for funds in the amount of \$250,000 to purchase a customized Sprinter van. From the proposal:

Chelsea District Library's proposal, Mobile CDL: Quality Service for All, seeks a community-outreach vehicle to increase our community's access to its library staff, resources, technology, and services. It will expand our reach to people who are underserved geographically or through circumstance in meaningful, sustainable ways that also decrease our environmental footprint. Mobile CDL will be a microcosm of the brick-and-mortar facility serving our community, combining the excellent services and resources offered at the library facility—including broadband access; non-digital and digital materials; knowledgeable and service-oriented library staff; non-traditional items; and programs and activities that educate, enrich, and entertain—with convenience and flexibility. Access will no longer depend on mobility. Mobile CDL will bring the library to the places in our community where people live, work, and play...

The Chelsea District Library (CDL) serves a population of 15,010 including the City of Chelsea, Sylvan and Lyndon Townships, and portions of Lima and Dexter Township within the Chelsea School District.

CDL delivers on its mission to engage, inspire, and equip through evolving programs and resources. Community satisfaction with the library is evident in the passage of an operating millage in 2019 in all the municipalities within our service area. However, we know we can do better, particularly in reaching those people who are challenged geographically or through circumstance to access the library's facility and its physical and digital resources and services. The primary goals of Mobile CDL are to overcome these barriers to library service within our community by providing convenient access to all the library has to offer and to promote inclusivity within the library community thus elevating the library's profile and increasing customer satisfaction. In short, Mobile CDL's motto will be "Quality Service for All."

Addressing this lack of engagement, particularly in the rural parts of our service area, and creating greater awareness of the library thereby strengthening our relationships within our service area are priorities at the library. In fact, the library's *Strategic Plan 2020-2022* focuses on facilitating access. Its *Initiative 3: Address Geographic and Mobility Challenges* highlights mobile library services as means to making the library more accessible and meaningful

throughout the service area. A plan for a library vehicle has been on the library's horizon since 2020.

This commitment to mobile library services in our Strategic Plan dovetails with the Library of Michigan American Rescue Plan Act Equipment Grant program's stated priorities to increase the capacity of Michigan libraries to safely provide services and content to community members. Acquisition of a mobile library with an alternate power source (APS) will allow our library to expand its presence throughout the service area in an equitable, engaging, and environmentally responsible way. Mobile CDL will allow us to take our programs, resources, staff, and services to the underserved in our service area who cannot access our brick-and-mortar facility due to geography or circumstance.

CDL serves an area of approximately 110 square miles (for comparison, Ann Arbor is 28.79 square miles and Detroit is 142.9 square miles). The "urban" City of Chelsea accounts for 3.3% of this area (3.6 square miles) square miles and 35.3% of the library district's population, while the combined rural townships account for 96.7% of this area (106.4 square miles) and 64.7% of the population. The Chelsea District Library has one facility servicing this large area located in the heart of the City of Chelsea. Data shows that proximity to the library increases usage and paints a picture of less engagement in our rural areas. Mobile CDL will accommodate those residents who are currently geographically challenged to access services.

Other residents face physical, social, technological, and economic barriers to library service. According to 2019 U.S. Census figures, 31% of the population of the City of Chelsea is 60 years of age or older. Older residents and those in assisted living facilities may have infirmities that keep them from visiting our library. Some residents like those living in the St. Louis Center may have developmental disabilities that impede their ability to visit the library. Others are limited by economic barriers or limited information/technology literacy and access to those tools that facilitate it. Mobile CDL will work to ensure the ability of the entire service area to benefit from all that CDL has to offer.

Additionally, CDL services the entirety of the Chelsea School District. According to the National Center for Education Statistics, 13% of its students are eligible for free or reduced lunches. Providing roaming resources through Mobile CDL for homework assistance and early literacy skills to these students is imperative to their current and future success.

CDL embraces its roles of keeping the community abreast of trends in technology, incorporating sustainability and care for the environment in its operations, and accommodating various abilities, disabilities, and needs. We are mindful of our environmental footprint and want to lead by example. To that end, we have made the commitment to ADA compliance with a wheelchair lift and fuel economy with a diesel engine and a reduction in idling emissions through a battery-powered, "clean" APS. Our proposal embraces accessibility and a cleaner, more environmentally responsible means of service delivery than a traditional fossil fuel vehicle. Mobile CDL will be a traveling model for sustainable and accessible transportation.

A complete copy of the application is available upon request. The application deadline is July 15 with decisions made in mid August. Keep your fingers crossed!

#### **Financial News**

The Municipal Disclosure Annual Filing was successfully completed on the library's behalf by PFM Financial Advisers on June 22. (A big thanks to Chris for working with PFM on the library's behalf!)

I completed and submitted the Qualifying Statement for the library to the State of Michigan Department of Treasury. Based on the statement, it was determined that we are in material compliance with their criteria.

#### **Audit RFP**

The Finance Committee is finalizing the RFP for auditing services that is scheduled to go out to firms throughout the area on July 19. The deadline for submissions of proposals is August 6. The committee's plan is to have a firm chosen for board approval at the September 22 board meeting.

### Chelsea District Library Assistant Director's Report June 2021

#### **Facility update**

It was pretty quiet on the facility front this month (hope I didn't just jinx us). I am still waiting on a quote for the condenser motors repair but they won't done until cooling season is over. I have asked for a revised quote to update Metasys, so the late summer/early fall will be busier.

We did have all of the carpets cleaned in June, the first time in about 12 months, so that helped us feel somewhat "normal" again. Our cleaning company used a new man this time and he did a great job.

I had hoped to have some repair work done on the brick pavers in the staff entrance area but the man who I contacted to quote it was a no-show twice (grrrr!), so I am exploring new options. We also need some repair work done on a few of the McKune porch columns on the north side and I am waiting for a quote. Unfortunately, C19 has construction/painting contractors busier than ever so it will probably be fall before I make much progress there.

#### COVID

We opened fully to the public on Monday, June 21st and the mask mandate was lifted as of Tuesday, June 22nd. That transition went smoothly, much to everyone's relief, and to say staff was happy to see patrons in the building again is an understatement! There was much excitement and so many smiling faces, balloons, and a Welcome Back! banner. I am very glad to report that this section will no longer be included in my board report - woohoo!

#### Volunteers

It feels great to see our volunteers again! We welcomed a few new volunteers as well and it has been fun to jump up from my desk when I hear one of them checking in, to welcome them back. I was informed that I had neglected to put the candy dish back out and am working to correct that:)

#### 2022 Budget

Our first meeting with the finance committee was held in June and as usual, it was very productive. It feels great when board members ask serious questions that show a working knowledge of operations and a desire to know more. Hopefully by 2022 we will feel fully back in the swing of things and we are planning accordingly.

Respectfully submitted-Linda Ballard Assistant Director

#### **Technology Department News**

June 2021

By Scott Rakestraw, Head of Technology

#### Notable News & Events

Our modernization programs have been slightly delayed by pandemic related disruptions in the supply chain as well as 'natural events'. Our outdoor wifi access point is now home to an active bird family. The device is offline now but will cleaned and reactivated once all the nestlings have left.

Our indoor access point upgrade was delayed due to manufacturer delays, but we have received the hardware and are scheduling the installation.

We've repaired the in-house, overhead, public address system. We're waiting on a hardware delivery that will allow for automated closing announcements.

#### RansomeWare in the News AGAIN!

Once again, US computer infrastructure has been hacked. This time the support application Kaseya was compromised. Kaseya is used by Bibliotheca/3M our vendor to support our Self-Check machines. We were able to power down our machines within a few hours of the breech notification. No library systems were affected by this latest ransomware attack.

Bibliotheca has been less than responsive to questions about the breech. The web site has not been updated in over a week and questions by phone or email from other TLN Libraries have gone unanswered.

We are seriously reevaluating whether or not this vendor is suitable for our library.

#### **III** bibliotheca JULY 6, 2021 KASEYA VSA BREACH

On Friday, July 2nd 2021, we were made aware of the security incident caused by a cyberattack on Kaseya, and we immediately shut down our VSA server. At the time of the shutdown-and presently-there was no indication that we had been affected by the data breach.

Since then, by using a specifically designed detection tool, we have confirmed that our server was NOT compromised. We have no reason to believe any Bibliotheca customer or personal data has been compromised.

We are working with Kaseya to continue to monitor the situation and will update this communication once we confirm with Kaseya that it is safe to bring their VSA server

Please check Kaseya's website for the most up to date information

#### Progress Report

- We've received most of the equipment ordered for the Ingenuity Engine Room. Matt has been busy checking in the inventory and assembling the various components. We're on-track for a September Grand Opening.
- St. Louis Center has advised that pandemic protocols are such that they can once again allow library staff in the building. They would like us to resume our Virtual Reality out-reach events. Preparation has begun.
- "Print Nightmare" security warnings were issued for all version of Microsoft Windows (v 7 2019). Patches have been released and installed in the library. Staff has been alerted to patch their home computers due to the severity of the flaw. [For detailed information, go here: https://chelseadistrictlibrary.org/alert06]

#### Marketing Monthly Board Report (June 1-30, 2021):

The marketing department brought a new, larger-than-life Paige Turner sign to the library, and it now has a home in the library lobby. Paige welcomes visitors and has a dry erase surface with a built-in sign to quickly customize messages to the public. There were other marketing firsts achieved in the month, and a simple mistake turned into a happy result. The rollout of the Explorer Kits hit a bump in the road when an incorrect start date was posted on a partner organization's Facebook page, offering the kits one day too soon, on a Monday, instead of a Tuesday. Calls began to roll in. I pulled the photos that I had previously asked Virginia to take

before she left for vacation. The well composed photos showed the wonderful kits the librarians had worked on for weeks, and I used the images to do a quick post as an ad boost to correct the date. Doing an ad boost wasn't new to our marketing tactics, but this one reached the highest number of people on the CDL Facebook page since I have worked at the library. The post spread faster and farther than any previous CDL marketing ad boost on social media. The engagement gained due to the boost, along with the popularity of the kits, ranked the library higher in the Facebook algorithm. As a result, shares, comments, and likes increased the presence of other library program posts in newsfeeds, and new engagement pushed the numbers even higher. Following the high engagement numbers was the announcement of the opening of the library on digital and print communication channels, which increased engagement even more on social media platforms, and increased traffic to the CDL website too. According to Google Analytics, just over 12,800 people found the CDL website in June on Google, and visits to the site were up 20% from the month before.

Work continued on the new website section showcasing the arts in and around the library. Multiple photo shoots were held to increase the image assets used on the site, including the new sculptures on the library lawn. Work began to create the marketing assets that will promote the fall programs, focusing on four major events: Small Wonders photography exhibition, Artist in Residence, CDL Song Fest, and Song to Table; with three of the four offered as in-person events. I worked regularly with the Artist in Residence, Frank Cianciolo, and Gabrielle, the librarian developing the programs, as plans were hashed out to show his art in McKune. Offering in-person programs on the trails in area parks and during a planned event at the depot in the Fall, new digital images would be utilized. More than 300 images, either new or supplied

by the artist, were assessed, a marketing plan was created, reviewed, approved, and put in place for these major programs.

Overlapping the creation of the new fall program assets, the Summer Reading Program began halfway through the month. Marketing promotions using print and digital channels were published throughout the month. In addition, a new postcard campaign was developed by Edith, the librarian in charge of the program, it was designed and printed by marketing, and then distributed by her, which resulted in higher participation numbers. With the library opening and the increased awareness of the summer programs, the quarterly summer newsletters were flying out of the library in patrons' hands and were snatched up throughout the community.

#### Marketing Specialist Monthly Board Report (June 1–30, 2021):

CDL reopened to the public in June, and communicating the plans for reopening as well as final Summer Reading Program promotion made for a busy month. Some details from the month include the following:

#### Social Media:

Reopening news yielded very positive engagement with the community with over 5,000 people reached on Facebook, 369 "likes" 126 "love", and 1 "wow" reactions clicked. June's engagement yielded 35 new followers to the CDL Facebook page, 15 new followers on Instagram, and 1 additional Twitter follower.

At the request of the Michigan Secretary of State to CDL, I am working to share information and engage our community with the Independent Citizens Redistricting Commission. The information is to inform people of the commission's work and invite their participation in planning meetings.

#### Website:

Worked with the librarian team to update the website menus to make them more intuitive for patrons. The menu formerly titled "collections" was changed to "browse", and additional updates were made to the subcategories to ensure the language used on the CDL site better matched that which the public uses.

#### E-newsletters:

In the past 30 days, we have added 39 new subscribers. Many of these subscribers were added after the building reopened and patrons renewed or signed up for new library cards.

#### Miscellaneous:

- I wrote and helped edit several articles for the fall quarterly print newsletter.
- Elaine and I worked together to draft marketing plans for the Small Wonders exhibit,
   CDL Song Fest, and Artist in Residence programs.

#### Circulation Supervisor's Report JUNE 2021

- Circulation 15,396 in June;
- Patron Count- 5,753 for June;
- Circulation by township- for June:
  - Dexter = 11% of total transactions
  - Lima = 13% of transactions
  - Lyndon =13% of transactions
  - Sylvan = 16% of transactions
  - Chelsea = 37% of transactions
- June Circulation: 83% were items from Chelsea and 17% were inter-loaned items.
- Overdrive = 2926 in JUNE; Hoopla = 649; Kanopy = 184 in JUNE.
- Registrations for JUNE–87 new cards; 6837 total card holders
  - \*Dexter = 867 cards; Lima = 794 cards; Lyndon = 977 cards
  - \*Sylvan = 1169 cards; Chelsea = 2496 cards; Nonresident = 534 cards

#### June Notes:

- Attended weekly management meetings via Zoom.
- Special Circ meeting: On June 11<sup>th,</sup> the Library Assistants had a special meeting in person to try and remember everything we hadn't had to do the past year. We covered a lot of material and had it was nice to be able to meet as a whole group.
- Attended the monthly TLN SASUG meeting on June 24<sup>th</sup> via Zoom. In September the library catalog
  will be getting a new, look for title searches and making it much easier to find titles by listing all of
  the item types in one place.
- Monthly staff meeting: On June 18<sup>th</sup> this was another department meeting and we were able to finish going over everything we didn't get to the previous week.
- Worked my DS/PIC shifts, but the holds pickup table were outside for the majority of the month.
- We have two new hires in the circulation department. Please welcome Jean Pierce, Library Assistant and Martha Jacques, Library Aide. The circ department is now fully staffed!
- We received 135.5 tubs from TLN in June, with 6.2 being the daily average.

Respectfully submitted, Terri Lancaster Head of Circulation Chelsea District Library

## DISCUSSION ITEMS

Chelsea District Library Board of Trustees

Library Board Fact Sheet July 20, 2021 Meeting

#### At-Large Board Seat

#### Background:

Jan Carr will be leaving Sylvan Township at some point in the future to take up residence elsewhere in the library district, and has chosen to proactively give the Sylvan-appointed trustee seat to Susan Lackey, who has been serving as an At-Large appointee, but lives in Sylvan Township. At the beginning of July, Jan Carr resigned her CDL board post with Sylvan Township and Susan Lackey was formerly appointed the township's CDL trustee (which runs through December 2022) at Sylvan's July 6 Board Meeting. Jan Carr has been serving as the CDL Board Secretary and wishes to continue to serve on the board in that capacity, but will need the board to appoint her to the now open At-Large seat (which runs through December 2023). To insure that the CDL has an active Board Secretary and that it has seven sitting members, the library requests that the board takes up this Discussion Item and moves it directly to Action (Item #3) at the beginning of the July meeting.

2021 Staff In-Service

#### Background:

The library would like the board's permission to hold the annual staff in-service on Friday, November 19. The in-service date requires the library to remain closed that day. The library would like the board to move this to an action item this month, so there is sufficient notice of the library's closing on November 19 in the Fall Newsletter.
